Declaration of the participants in the founding meeting of the Humanities Forum on 12th November, 2014 in Ljubljana

THE MAIN PURPOSE AND THE MAIN OBJECTIVES OF THE HUMANITIES FORUM

Inter-institutional cooperation at the regional and trans-regional level with the intention to create a space for reflection in the field of Humanities and Human Culture. In an interaction with them, it is possible to explore the humanising possibilities in a global perspective. Special attention will be dedicated to: historical and contemporary dimensions of Humanism; importance of multilingualism, inter- and transculturality; references to individual freedom and social justice; interconnection of Nature and Culture in the scientific-technical world; preservation and strengthening of the principles of human rights in today's world.

Inter-institutional and interdisciplinary collaboration includes:

- Collaboration in preparing and realizing of research, education and culture projects;
- strengthening multilingualism in face of the threat of monolingualism;
- Organization of thematic conferences on key humanistic problems today;
- Concern for the inclusion of young researchers in international exchange in the field of humanistic and social sciences;
- Print and online publications on current problems;
- Establishment of the website "**H**umanities *Forum*";
- Establishment of the newsletter "**H**umanities *Forum*".
